MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Composition of Training Selection Board

REFERENCE : Memo dtd 13 Oct 66 for Ex. Dir.-Compt. fr  
Acting DD/P, same subj

1. This memorandum is for your information only.

25X1 2. The composition of the Training Selection Board as provided in  
Headquarters Notice [ ] was changed in 1964, I believe in December.  
At that time it was suggested that the Notice be revised to incorporate  
the change. As indicated in the referent memorandum, the Notice was  
not changed because it was felt the establishment and composition of the  
Training Selection Board was of a permanent nature which suggested that  
the material be placed in the Agency regulations. Headquarters Regulation  
25X1 [ ] was issued on 3 June 1965 for this purpose. It is my understanding  
that in the interval between December 1964 and June 1965 the composition  
of the Board was as provided in the new regulation.
